“ My sincere condolences go out to the family of Bruce Hattan. Bruce was a friend to me from the time we were both around 8 years old, we competed against each other in high school basketball, he for Veteran and me for Chugwater. After high school, Bruce and I, along with other former high school competitors, used to meet at night after work and turn on the lights at the old tennis court by the old Lincoln elementary building and play basketball. Later we would go have a cold one or two. I have many fond memories of this fine friendly gentleman. He was a credit to Goshen County. We will miss him.

“ Ron and I enjoyed visiting our Hattan family two different times in 2019 while taking a RV trip. Our time spent with family in Torrington has always been the highlight of our many travels. Bruce loved showing us many little known special towns in WY and we so enjoyed these adventures. We also enjoyed many spirited card games with Bruce & Davone. When we lived in Las Vegas Bruce & Davone came to visit us. We had such a good time and Bruce taught me a new game, Three Card Poker. We didn't always win but we always had a good time.

We've also been able to travel back to Torrington for many family events and we wouldn't trade those visits for anything. Attending Travis & Samantha's wedding and watching Hunter and Ashlee grow up has been pure joy.

Our thoughts and prayers are with the entire family and we will hold close our beautiful memories.
