“ Beverly,
Duane was a good friend. I enjoyed working with him at South Torrington Water and Sewer District. His love of animals and his overall kindness will never be forgotten. I will keep you and your family in my prayers.
God Bless you all

“ I'm thinking of all of you and am so sorry for the loss of Uncle Duane and who he was to so many people. Here are just a very few memories that I have of Duane. I remember going water skiing. He got me up on my skies for the first time by giving me a great big pinch on the rear. He was such a fun and funny person. His stories of carrying his little dog around in the pocket of his coat because he wasn't actually supposed to be bringing the dog with him. I remember the camping trips of my youth very fondly and spending time with my wonderful cousins and Bev and Duane. I really do miss all of you.

I am unable to attend the funeral services but you are all in my prayers and thoughts. Our huge family seems to be drifting apart and I hate for that to happen. I will be in touch with you. I'm sending my love and deepest sympathy to you.

Love,
Michelle (Shelley) Garrett Henneberry
