“ I just heard of Eva's passing. I want to send Paul, Jose and John (and her extended family) my deepest condolences. Eva was an amazing woman. She validated many things for me in this life. To say she was an angel put on this earth is a fair statement. She helped whomever needed it, and made a difference in my life. Eva I will truly miss you. May the boys and their families heal from this trying time. My love and prayers for you all.
