“ As Helen's family we want to know how valued she was in our lives as well. As a next door neighbor she was a true friend and quite helpful with Lamoine McKie, Gwen's mother. There were also times that she befriended our family as well. We remember her as a sweet, caring woman who never had an ill word for anyone. We extend our deepest sypmathies to you, Linda and your entire family and want you to know that our thoughts are with you.  
With very best wishes,

“ My daughter and I were neighbors to Helen and her husband a while back, they were always quick to wave when they were outside to me and my daughter. I remember Helen out working on her beautiful flowers that she would have on the corner, she will be missed, and our prayers go out to Linda and all the family.
