“ I remember Mrs. Schloatman from my childhood. I was friends with her eldest daughter, Cindy. I remember her as being a light-hearted person, sharing fun stories about her children with my mother. When my mother had a major heart attack, while she was in the hospital, Mrs. Schloatman was my mother's night nurse. This was comforting for me to know my mother was in good hands. We will all see each other again someday, won't we? Salutations to her family.

“ Hi, Gordon – I was very saddened to learn of Ilene's passing. All the many years of memories that we had together have been good to think about. Rodger and I are sad for your loss, and we have been keeping you, and Cindy and Don and family, in our thoughts and prayers. We pray for God's comfort and peace as you mourn her passing – however, we know she is in a far better place! With our love to you all, Susan (Carlson) and Rodger Leys.
