“ To The Family of Jack Fleming Gregg, I would like to extend my condolences to you all. During difficult times such as these, we could all use a little comfort. I can say that although I did not have the personal privilege of knowing Mr. Gregg, I too know the pain of losing someone whom you love so dearly. I have and still am able to find comfort through God's promise of a resurrection by means of His son Christ Jesus. Very soon Jesus will "call out to all those in their memorial tombs and they will hear his voice and come out."-John 5:28,29 What joyous time we have to look forward to when we can reunite with all those we've lost in death....to be able hold and embrace them once again. This is a promise that I hold close to my heart and mind. I hope you will do the same as you dwell kindly in my thoughts and prayers. May you find peace.

“ Our thoughts are with you, Sandi. Jack held a special place in our hearts growing up in such a small community. You and he were both such a big part of Malonie's life and lifelong friends. I have no doubt Jack and Malonie are sharing a game of pool somewhere out there. Know that you have our deepest sympathies at this time. God Bless you, Sandi.
Love, Anne
