“ Dear Richard and Family,

We are so sorry that you lost Linda. I know she loved you very much. The last time we saw her was when Grandma and Benita went to see Lloyd before he left. You were a good son to her and I know the world seems more empty now that she is gone. She is truly in a better place now - where she is young and so beautiful again.

We love you very much and wish we could see you more. Stay strong as usual and know that your whole family is behind you. Time and distance can't interfere with the love of family.

God Bless you. Love Aunt Benita, Aunt Terry and Uncle Joe

“ August 6 is a date I have remembered from early childhood. In 1938 four "Roten babies" were born. Kent Christener was born in May, Linda Gillaspie on August 6, Jack Roten November 3 and Virginia Greenly December 2. The last time the four of us were together was the summer I was 14. Happy Birthday to Linda in heaven.

Love and prayers for comfort and peace to the family.

“ I have lots of memories of Linda through the years of her being my customer at the pharmacy. We wrote lots of notes to each other and she would pretend to be disgusted at my sorry attempts at drawing pictures! I think of her each time I drive past her old house and remember her "doggie doorbell".... Just want you to know I will always be reminded of her in many ways.... She was a very special lady...

My condolences to you, Jancy Walter
