“ We will always remember Linda's smile and bubbly personality. My sister Pauline and Dixie thought the world of Linda, and when these three would get together, things sparked. They shared each others joys and sorrows. The world is a lot dimmer without Linda.

With deepest sympathy, Mary & Harry Bristol-sister to Pauline Medina

“ Dear Brenda, Sheila, Roxanne and families,
We are so sorry for your loss. We loved your mom as a neighbor so many years ago, and remember lots of fun times at Kountry Kids. Whenever we ran into her in more recent years, we always shared a laugh about one thing or another. Such a great

lady. She will be missed by so many. Praying for the Lord's peace and comfort for all of you.

Sincerely,
Damaris and Terry Lewis

“ I first met Linda in first grade. We were friends for life. Some times closer other times more distant. No matter--a friend is a friend. She always cared what was happening in my life and with my family. I last saw Linda at the community 50th high school reunion (our 53rd) in June 2016. Her magnamus smile and bubbling personality always made her special. One of my fondest memories was at our 25th reunion held at Kountry Kids. She had her entire family involved to insure that we had the time of lives. And we did. She was sooooo proud of her family.

A great lady who will always have a special place in my heart.

“ We have fond memories of Linda when we worked for them almost 40 years ago. She had a open house for us after John was burned on our honeymoon. She was always thinking of others. Kerri and John Rose

“ I meet Linda when I was 14. She and Bob lived by the Tri-State east of the Lougee place and farmed that place for my Dad. My tractor ran out of gas, and that was the nearest place to walk to a phone. We soon became fast friends. When Lee Ross Kirkpatrick and I lived on the same place, and Linda and Bob had moved over to the place just east of Chalk Butte school, we often had long conversations -- sometimes to the wee hours of the morning! She was a wonderful listening ear and helped me so much as a new mother and as a farm wife. Linda knew how to do a lot with a little, she was a great cook and you never left her home hungry. She so enjoyed and loved her three daughters, sons-in-law, and two grand daughters. I am so blessed to have known her and to be her friend -- I will miss her dearly!
