“ Mary

We have many memories, but the one that stands out is when she and DonnaBeth accompanied us to our remote cabin at Laramie Peak. Our cabin is not a destination for the “faint at heart” as it involves 4 miles of 4 wheel driving on an old logging road. Both of our ladies delighted in this joy ride at 5 to 10 mph.

They took in the smells of the forest, saw antelope, deer, mountain birds, and kept a watchful eye out for a bear sighting.

At the cabin area ,we strolled and investigated the lay of the property, told her about how we constructed the cabin and spent some time at the creek throwing rocks.

Over lunch, it was time to reminisce about past adventures with nature. Mary had many to share about her and her girls.

Mary was always smiling and genuinely interested in all her friends. Our family is blessed to have known her.

We send our love and prayers to her family.
