“ Michael "Mike" as we knew him was a great friend of ours while he was employed with Baker Oil in Santa Paula California. He & I were great friends & there was a group of us that hung out regularly in Ventura. I have some pictures of him & his brother when he was visiting in Ventura. We loved him so much, we had a lot of fun all of us. I decided to look him up on line & I had no idea this is what I would find. I'm sorry for Landon. He was a genuine person & so much fun to be around. "Hungry, party of 8. My heart is hurting. Rest In Peace Mike. Your friends from Ventura-Geri.Toni, Karen, Julie, Dave, Jim & Janelle.

“ Bill & Sally-
So very sorry to hear that Mike has passed. I knew him well in Casper before we were all married off. Mike joined us at Tret-O-Lite and was a terrific asset. I have so very many fond memories that I will treasure until he and I are again together. I share your pain, God Bless,

“ To the Guth family:

I had the privilege of getting to know Mike through Moe. I'm one of Moe's close friends. Mike has always been one of my favorite people. He was such a kind, gentle, and caring man. I will miss the glint in his eyes when he spoke, the giggle you'd often hear after he said something funny, those are things I will always remember about him. He spoke so highly of his parents and family. God bless your family, I just wanted you all to know how special he was to so many people, he'll be greatly missed.

*Sincerely,
Jill and Kent Green*

“ Mike was the most generous friend that I have ever known. A great listener and a great counselor. Always willing to help anyone out and never asking anything in return. Bill and Sally should be very, very proud of what a kind son they brought into this world.

“ I knew Mike very well while I went to school at CSU in Fort Collins. Mike often helped me renovate the house I was living in and on more than one occasion would help me on a tile job just to be a helpful friend. He was as genuine as they come and will be missed. I imagine he's playing golf in heaven right now without a care in the world.

Thanks for everything Mike - you're a good man,

“ *My heart is broken for Mike's family and friends. I knew Mike as "one of the cute upper-classmen" in school. He was always so nice and polite--always. He used to occasionally pop into my place of work with his buddy, Mark Jolovich. Those two could tell some great stories. Mike will be greatly missed by a good many of us. My deepest sympathies to you all.*
