“ I worked with Patty for many years at UMC. I was the stock buyer at the time and since she was in A/P, we had to deal with a lot of fun things together. She was always very nice to me, which I sincerely appreciated. She certainly has not had enough time to enjoy her retirement. I'm so very sorry for your family's loss and my thoughts are with you.

“ My thoughts and prayers are with Patty's family at this difficult time. I enjoyed working with Patty at CRMC. At this time of year I always remember her wearing the Christmas Socks with the annoying bells on them.
