“ For Ric's family, I am so sorry for your loss. You and Ric are in my prayers. God bless.

I am very sad that Ric passed away. I have so many fond memories of growing up with Ric. I remember playing together on the playground at recess when we were in 1st grade as our imaginations were let loose in play. I recall watching him drum when we got a bit older. He was a great teammate on the football field and a good classmate as well. He always had a smile and a wisecrack or two. We always had fun!

Rest gently my friend.

“ Words can't express how saddened I am to hear of Ric's passing. I have so many wonderful memories of Ric, and will always cherish them. Watching him play "Train Train" on the harmonica was amazing. His love for music was a part of his life.

I remember many nights sitting at the kitchen table with Ric and his mom, Dora. We would talk for hours and not even realize the time. He adored his mom.

To Dora and family - As you grieve know that I am remembering you and honoring the memory of Ric. Take comfort in knowing an angel is watching over you.

Another chapter in my life closed, but not forgotten.

Rest in peace my friend.
