

## Sidney Ray Rice

September 26, 1953 - April 10, 2021

Sid “Bud” Rice passed away April 10, 2021 with his wife Phyllis at his side. Graveside services will be held at 2:00 p.m. Thursday, April 15th, 2021 at Valley View Cemetery. Arrangements are under the direction of the Colyer Funeral Home and friends may send condolences to the family at <http://www.colyerfuneralhome.com>.

Sid was born in Salina, Kansas, to Bill and Helen Rice. He had three brothers; Kelly, Douglas, and Stan in conjunction with his sisters by marriage and nieces and nephews. He attended schools in Idaho and Kansas. He graduated high school in Goodland, Kansas. He worked in the telecommunications field for 44 ½ years in the Torrington/Scottsbluff region.

Sid’s forte was kids (as he could be himself), for which he entertained and nurtured. Many adults will never forget Uncle Sid. His “chicken routine” would leave you in stitches – both young and old.

On his serious side, he taught young kids’ Sunday School classes. After serving his country in the National Guard, he served in the American Legion. He served as Commander in the Legion, as well as flipping burgers, hot dogs and pancakes at local events. He was serving as Chaplain in the Hank Snow Chapter at the time of his death.

Sid mostly cared about “others”, but his personal time found him on a motorcycle or a golf club in his hand. His joy was his nieces, nephews, and family. He seemed to always leave you with something to think about. One of his favorite scriptures was Psalms 23: “The Lord is my shepherd. I shall not want...”

Memorials can be made to the Lighthouse Ministries or Wyoming Cowboy Challenge Academy.

“ Dear Phyllis Though this is belated I still want you to know the sadness I feel in your loss. I truly believe it is your abundance of faith and the love and care of friends and family that will continue to support you in your grieving and healing. May God give you peace and may memories comfort you. Remember that Sorrow is not forever, but LOVE is!

In Sincere Sympathy, Mary Hudson Jackson Welsch

“ Sid was our daughter's Sunday School teacher when she was in the 5th/6th grade. One day she was suppose to walk from school to piano lessons. She took a wrong turn and found herself lost. She told me later she said "Oh God, help me" and about that time Sid pulled up and asked what she was doing. She told him she was supposed to go to her piano teacher's place but was lost. He gave me a call and I met him while she stayed with him. He was a sweet thoughtful man and will be missed greatly
