“ Dear Dr. Marion & family, I am shocked & deeply saddened to hear about losing an amazing soul & kindred spirit that was truly one of a kind in Steve. He was ALWAYS a bright light wherever he was. He had a laugh & joy that was unequaled by no other. It was the most shy but deeply genuine form of expressing love that I have ever seen. Please be comforted & know that all Steve gave so unconditionally to our universe is a gift that is divine in nature & a blessing to everyone who knew him. Steve will be living with us forever! Marion, we are grateful as both you & Steve have been a blessing to our family.

“ Kim and I would like to express our condolences to the Smith Family, relatives like us, and Steve's friends during this time of grief. We only met Steve a handful of times over the years from our college days on, but there was just not a kinder more giving and thoughtful person. His smile and sense of humor were always present and welcome. We will all miss him and are praying for his whole family to get through this time of loss.

“ I first meet Steve back in 1969 when I joined the Boy Scouts in Torrington, when I was a young kid. Steve and I hit it off right away, even though I was younger than him. Steve was like a Big Brother towards me during my scouting years. Steve never meet a soul he did not like. So many memory's of the great times I had with Steve and his little brother Todd. Was lucky enough to get to know the entire Smith family from Doc Smith on down. Joann was a good friend during our High School days and college days at EWC.  
Steve will always remain in my thoughts and soul, as he became part of my Life along Life's short journey.  
He will be missed by all whom Steve touched their hearts along his journey of Life.

“ I remember Steve as the shy smiling older brother of my friend Joanne. We were in Laramie for State basketball and visited Steve in his dorm room and he was proud to show his buffalo hide - he was sure he had the only one on campus! The Goshen County community will miss the gentle influence of this kind man.
