“ *As I reflect over our life together - there are so many memories. Wilma and I were always close and enjoyed doing so many of the same things. Our family enjoyed the time we spent 'on the farm' when we would be visiting family - And Aunt 'Wilm' was their favorite Aunt - she was always so good to them, especially when they got sick while at her house. As I walk through my house I see so many items that Wilma (and Willie) made for us - woodwork, counted cross stitch, knitted afghan and pillows, paintings, and so on and so forth. The trips she made to see us - we always went to the beach - she loved that and so many of the gorgeous sights of the Pacific NorthWest. I will remember her with the fondest of memories and even our last conversation was comparing aches and pains and meds! We chided each other that this is what happens when you grow old! I want to say - "I love you Wilma - I will miss our chats - and I know that you are celebrating in heaven!" To her family - "You had a wonderful Mother who loved you with all her heart - and even though she can't join in with the visiting and the fun and laughter - she can't come to you, but you can live so that you can go to her!" Keep those fond memories - and know that Heaven will be such a wonderful place where we can all meet together and never have to say 'Good-bye again!'" Love you - esther and dan burris*

“ *We are so sorry for your loss. My mother, Alyce Cecil, and Wilma were friends - farming near each other in the Huntley area. I have fond memories of visiting with Wilma while she was visiting at my mother's. Good conversations while sitting around the kitchen table with friends and family. Sincere condolences, Joan Cecil Schreiner - Laramie, WY.*
