“ My thoughts and prayers are with you all. Aunt Della was a very special lady and we all loved her very much. I loved visiting the farm when I was little and still remember her running out the door to yell at me to get out of the pig pen because the momma pigs would hurt me while they tried to protect their babies (leave it to a city girl to want to get into the pen). I loved all her stories and especially her sense of humor. I will keep those memories in my heart forever. I believe she is at peace and being showered with love from all her family. Love to you all...Cindy Marquez Knudsen

“ I'm terribly sorry for everyones loss.We all have our memories of such a good woman. I wish I would have known her better or spent more time with her but what I did is a great memory of mine. The fun we had as kids at her place trying to catch the piglets and letting her steer out of the pasture and getting in trouble for it. Oh you can't buy memories like that. I love you Aunt Della.

“ Our family is saddened by the lost of our Grandmother and our kids Great Grandmother. We will always remember your smile, warmth and love of life. The children will miss the summers of fun and will be told stories often of their wonderful grandmother. Jason remembers the fun filled farm summers of his childhood and the example of hard work and a great marriage put forth by his grandparents. We are upset that we were not able to join you in our time of grief. Our prayers are with you.

“ To The Montano Family!

I had to send a second tribute after reading all the great tributes for Mrs. Montano. I can remember her coming with the family to school activities. It is a loss that I never really knew her. I did know Mr. Montano, and he was also a great person.
