“ Alice is one of my fondest memories. I moved across the street from her family in 1947, Students in Torrington learned cursive writing in 2nd grade. I had just completed 2nd grade in Lingle where cursive was taught in 3rd grade. Alice was about in the 6th grade and bless her heart she taught me cursive that summer. i have many fond memories of the year we lived at the courthouse and most of them are tied to activities with the Korhonen kids across the street. My heartfelt sympathy to every member of her family as they cope with her transition from this life. A special hug to Marie.
