

Alicia Schilreff-Rodriguez

November 7, 1978 - September 1, 2023

Memorial services for ALICIA SCHILREFF-RODRIGUEZ, will be held at 11am Saturday, September 9, 2023 at North Hills Baptist Church with Pastor David Anderson officiating. It is with deep sorrow and much love that we mourn the sudden passing of Alicia on Friday, September 1, 2023 at the age of 44. The family requests memorial donations be made in the name of Alicia Rodriguez to Eastern Wyoming College Foundation/Cosmetology Scholarship.

Cremation has taken place and the Colyer Funeral Home is in charge of the arrangements. Condolences may be sent to www.colyerfuneralhome.com.

Alicia will be lovingly remembered by her children, Tyger and Tayte Rodriguez, her grandchildren, her mother Marcia Schilreff, brother Ryan and his wife Sommer and their children. Alicia had so many aunts, uncles, and close friends who will also forever hold her in their hearts. Alicia was preceded in death by her loving father, Mike Schilreff; grandparents George and Leona Schilreff; grandparents Robert and Nadine Knadler; and uncle Ronald Knadler.

Alicia was born in Torrington, Wyoming on November 7, 1978. She graduated Torrington High School with the class of 1997. After graduation she attended Eastern Wyoming College where she obtained an Associate Degree in Cosmetology in 2007. After graduation Alicia worked for Dorothy Hacker and later ran her own salon, Kolor Me Crazy. In 2020, Alicia would shut the doors

to her salon and work with Ofetdal Construction Inc. and Sturgeon Electric. However even though working away from home she found a way to continue her passion for cosmetology by doing hair at the Wyoming State Women's Prison. Alicia will be remembered for her loving heart and being brutally honest. She was her friend's biggest cheerleader and never met a stranger she wouldn't help. She often donated her time to Cut-A-Thon and other local fundraisers. As she gave in life, she also gave death by being an organ donor. She was always willing to fight for what she believed in and her never-give-up attitude is what inspired many. If you knew Alicia, you know this obituary is just a glimpse of the person she was.

The family wishes to send a special thank you to the emergency responders, Colyer Funeral Home, and Donor Alliance for their care and compassion.

“ Alicia was the truest friend anyone could have. She would do anything to help you. Always giving her honest advice and opinion. I called it tough love, because she truly loved so many. When I lost my Dad two years ago, and subsequently so many more family members and loved ones, my sweet friend was constantly checking on me and giving me support. Just popping in for a chat but I know she was checking on me. That is who she was. Caring and loving. Now, she can watch over us all at once, for God surely called an angel straight to Heaven. My friend, I will miss you so much. I pray you knew how much you were deeply loved by so many. May you rest in God's light forever.

“ I will never forget the night we all went riding it was such a fun night to ride. When I first met Alicia she welcomed me with open arms I knew from there that she would be a friend. We weren't close but I still considered her a friend. She told me she enjoyed my pictures of my kids I would share. And her smile could light up any room she walked into. She was always brutally honest but she cared and loved her family and friends and I envied her for her honesty and how much she loved her family and friends. Fly high my beautiful friend.

“ Alicia, was the first person I meet when I moved to Torrington, she had a perfect attitude for me. It was the same as mine. We said what we ment and ment what we said. I would go into the Solon and have these crazy ideas about my hair, she would either day ok let's do it, or heck no. I remember one day I went in and she was having a busy day, she knew I did not care of I had to wait. Alisha got me all foiled up and got a call about her son. She looked at me and I told her family comes first go do what needs to be done, she said I will be right back but if not there is another lady that can rinse you out. I remember this day like it was yesterday, this lady started pulling foil out asking with hair, then did the rinse no wash, and she said ok your done. My first reaction was thank god, cause I could not go any longer with the hair pulling. That night Alisha called me up with I'm sorry one right after the other. She told me what happened and I told her, atleast you did not have foil ripped from your roots. We both laughed. That was our running joke from then on out. Alicia your going to be missed but I'm glad I got the time I did with you. You will never be forgotten. Now find a bar and pick out your chair, find a bench and watch the sun set. It is your time to rest. I miss you my friend.

“ So sorry to hear of Alicia’s passing. I was one of her classmates graduating in 1997.....she always had a smile on her face and was a kind a compassionate soul. Our life paths rarely crossed and I didn’t have a personal relationship with her like so many did but everything I saw and heard was uplifting.....ferocious supporter of her family and friends and had such energy for life and for those around her. A shining light for many that was extinguished far too soon. May she rest in peace with the angels and sincerest condolences to her family and friends.
