

Allen James Rosera

November 23, 1942 - January 15, 2026

ALLEN JAMES ROSERA, 83, passed away peacefully on January 15, 2026, in Torrington, Wyoming, surrounded by his wife and daughters. Services will be held and announced at a later date. He was born on November 23, 1942, to Leslie and Lois (Sieth) Rosera in Milwaukee, Wisconsin, and was raised in Appleton, Wisconsin. Allen married the love of his life, Mary, on September 9, 1967. Together, they raised two daughters and built a life filled with family, service, and friendship. Allen proudly served in the United States Air Force as an electrician with the 568th Strategic Missile Squadron and was honorably discharged in 1964. In 1968, he joined the Appleton Fire Department, where he served the City of Appleton for 29 years, retiring as a Battalion Chief. In his free time, Allen enjoyed all things related to planes, trains, and automobiles, often working alongside his brothers. He was especially proud of helping refurbish the organ at First English Lutheran Church in Appleton, Wisconsin, and greatly enjoyed listening to the music it produced. Allen made friends everywhere he went and was known for his wealth of knowledge and his unmistakable sense of humor. Above all, he was extremely proud of his daughters and grandchildren. Allen was preceded in death by his parents, Leslie and Lois Rosera, and his brother, Thomas Rosera. He is survived by his wife, Mary (Sager) Rosera of Torrington, Wyoming; daughters Christa Rosera (Robert Butz Sr.) of Guernsey, Wyoming, and Heidi (Tim) Gaberell of Oregon, Wisconsin; grandchildren Garrett (Taylor) Bartel of Torrington, Wyoming, Sadie (Cameron) DeBoer of Raleigh, North Carolina, and Claire

Gaberell of Oregon, Wisconsin; great-granddaughter Sloane Bartel; and brothers John (Sue) Rosera of Darboy, Wisconsin, Jim (Jean) Rosera of Darboy, Wisconsin, and Joe (Betty) Rosera of Ferryville, Wisconsin. The family is deeply thankful to the nurses and staff at Torrington Community Hospital for the exceptional care, compassion, and genuine concern they showed to Allen and his loved ones during his final days.

“ Al always enjoyed "good" humor around the Fire station. To this day, I can still hear his laughter as he chimed in on banter amongst the troops.

Al's tutelage and mentoring instilled confidence in those of us under his command. Al had a great smile and he loved giving service to the Appleton community via his membership with the AFD. I will always think of Al, fondly...
