“ *To Susan, Clark, And Jim, And Families.*

I remember Alta and Gene since the time when I was 10 years old and went with my parents, Wallace and Dorothy Newton, to a gathering they put on right after they were married. My parents already knew them at that time. Gene's Mother and several others were there.

I can only remember seeing Susan one time when she was a little girl. I had Clark and his family pointed out to me at a distance one time, and I met Jim once. I also knew some other relatives, but knew Gene and Alta the best.

My uncle, Joel Teeters, worked with Alta during her days on The Goshen Hole School Board. He had many fine things to say about her.

Alta was a great lady and will be missed by all of us.

“ Dear House Family,
Please accept our sincere, heartfelt sympathy. We at Evergreen Court felt like we were just getting to know Alta, and regret that we didn't have more time with her. She did her best to make Evergreen Court a home away from home, and we only hope that we did our best to help make it comfortable. Every time she went to the farm, she came back invigorated and happy and we knew where her heart really was and we were lucky to share a little of that happiness with her. God bless all of you and know that time really does help heal the pain.

“ Dear Susan, Clark and Jim,

I am so very sorry to hear of your mom's passing. It is a very difficult time for you all I know.

She was absolutely one of the "rocks" of the community and school. May she always be remembered for her warmth, compassion, sense of humor as well as her hardworking and upstanding morals. She was a real role model to many and a truly strong upstand woman.
