“ Alyce was a long time friend of our family. I cannot remember not knowing Alyce. I have to say she was the closest friend my mom ever had. She treated our family like we were one of her own. I have a feeling she treated everyone that way. You could not have known Alyce without knowing there was something extremely special about her. Heaven will never be the same now that they have this beautiful new addition, I know for sure there will be alot more laughter!! I can't wait to see her again. With all my love to her family.

“ Alyce was my second mom. My mom said I acted more like Alyce than I did her. No matter how small or big my problems where Auntie Alyce was always there for me. She was a very dear person to everyone who knew her and especially to me and my family. My thoughts and prayers are with everyone who is experiencing pain and sorrow from her passing. Until we meet agian Auntie Alyce!

“ She was one of the incredible women in my life who I tried to emulate in action and passion. She was kind to me even when I probably didn't deserve her attention. I will always remember her and miss her, for she helped make me who I am today.

“ Our thoughts are with your family at this time. Almighty God promises "power beyond what is normal" to help us endure times of deep sadness.

“ I only got to speak to Alyce once on the phone, but I found her to be loving, sweet and full of concern for others. I was introduced to her by her beloved John Stoneking. She expressed how much she loved him and then after we had talked told me she knew John would be fine, that he had people who loved him and she wouldn't have to worry about him being alone anymore. From what John has told me about her she was the embodiment of Christian love. Helping the little ones. She followed Jesus' edict "that what you do for the least of these you have done also unto me." Alyce definitely left this world a better place than when she entered it. What a great woman. I know she is at peace in Heaven and walking with her friends and her Saviour. Thank you Alyce for all that you did for John and for passing through my life even so briefly. You will be missed. Suzy
