“ *Susan and Family,
We are thinking of you at this time. Uncle Arthur was very important in my mom's life. She enjoyed their phone calls very much and always shared the news from LaGrange with me. He was her connection to home. Mom often reminisces about times that she got to go out and visit Arthur. When she was a young woman, going out to LaGrange to visit Arthur and Oscar and Elsie, gave her a place of refuge during stressful times and she remembers those visits fondly. I only had the pleasure of coming out to visit once, and that was many years ago now, but I really enjoyed getting to meet you and Uncle Arthur. God bless you and your family. Mar Deer*
