“ Aunt Barb was kind and lots of fun!! They spoiled us kids when we stayed with them...going to movies, getting ice cream and going with them to square dancing. At Christmas time she'd play the piano while we all sang Christmas carols. Great memories!! We will miss her a lot.

“ Oh how Barbara loved to dance. When my father came from England for my daughter's wedding she danced and danced. He was a ballroom dancer and choose Barbara as his partner for hours. My best wishes to the family with lots of memories of fun times.

“ So very sorry to hear of Barbara’s death. She and Dwight are special lifetime friends (sorta relatives) to both of us! Have always visited with them @LHS 5 year reunions, but have not been able to attend the most recent because of health concerns and we live in Washington state! We are thinking of you and will be in our prayers!

So sorry to hear that Barb passed away. She and I worked together at Goshen Hole High School in the 70’s. Her smile, sense of humor and intelligence kept the school running smoothly. My condolences to Dwight and to former Spartans Brenda and Kevin.
