“ Was heart-warming to visit with each of you, Gary and Larry. Rev. Hill did a good job of capturing your Mother's personality and individuality. I especially liked the comment "Leo and Berdean did well"!! I was visiting with a friend the other day and she told me that Berdean was in her class in High School in Torrington. The class of 1945. Did not know if you realized that she had gone to high school in Torrington. Do take care all of you and keep in touch.
