“ Tiff, Chris, Bill, and Byron, My thoughts and prayers go out to all of you at this most difficult time. Bernice was a kind and loving mother, daughter and sister, but most of all she was a GREAT Friend. Words alone can not express the grief that I and everyone that knew her feel right now. She will be greatly missed by everyone, but yet we are able to take comfort in the fact that she gave, even in death, that others may have a better life through her use of the donor program. This is just SO Bernice, always willing to give, and not asking for anything in return.

“ To Tiff & Family of Bernice.

I am so sorry for your loss. I've known Bernice since I was very little her niece Tammy & I were best friends during our childhood. I was very fortunate to have been able to spend alot of time with Bernice in years past. She was like a second mom to me. I loved her like she was family. She had such a great personality, a joy to be around. There's times she made us laugh so hard we'd cry. I feel the loss as well that she is gone but I will never forget her. My thoughts & prayers are with the family especially you Tiff. She will be greatly missed

God Bless

“ *I am so sorry to hear of the passing of Bernice. I did not know her well, but I dealt with her often on insurance for work and at home. She was a special person indeed. She loved her family and her working family meant alot as well. Let the sunshine back into your lives and remember that soon the good memories will ease the hurt and loss. Patty Schaneman*

“ Tiffany, Chris, and Byron--

I can imagine how hard it is to lose your mom and sister, especially when it happened entirely too early in her life. I remember her more when we were in elementary school and lived across the street from each other, but she was always a positive presence. She came to say hi to me a couple of years ago when we both happened to be in church in Milford...I'm glad we were able to connect even that briefly. Many of us in our high school class will be thinking of you today and the days ahead.

“ *The true measure of a person's life is the number of friends they
have and the way they made life better for others. Bernice made
friends easily and I am grateful to call her a friend (and my Junior
Prom date!) Bernice's sense of humor and quick (and distinctive)
laugh, her limitless spirit and enthusiasm in cheering on her brother
and other wrestlers, and willingness to help any person in need are
three reasons why she lived out the adage, "People don't care how
much you know until they know how much you care." In a word,
Bernice cared.*

*Words don't come easily to describe the sense of loss of a good
person. Hearing the forecast for snow in Torrington, WY reminds me
the Omaha Indians say when it snows on a person's funeral,
Wakonda is welcoming the soul to the afterlife. That image comforts
me, and I pray it brings you peace, too.*
