“ We were sad to hear Bert passed away. We knew part of his family and pastured cattle on his land several summers. One special memory that I remember was when Bert was telling us some ideas of what he was going to do with his ranch. Then he said, "Well, I guess as long as you have a ranch you will have cattle on it." We all, including Bert, Laughed over that. Bert will be missed by all his friends and family members. Garold W.
