“ *What a sweet lady she will be missed and not there at the window to greet us at the shop to get Ladys haircut. Always a " hi " for Lady and a "Love You"! She made an impact on anyone that met her. God received another angel that day and know she greeted God with a "Love You". Prayers for her family. Theresa and Lady*

Sherri~ Your faithfulness reminds me of Jesus..."Because of the Lord's great love we are not consumed, for his compassions never fail.

*23 They are new every morning;
great is your faithfulness.*

*24 I say to myself, "The Lord is my portion;
therefore I will wait for him." Lamentations 3:22-24*

“ *I remember going to work for Brent and Sherry up at the Jensen place. Bethany was really little back then but so sweet. Then in the late 90s I work for Brent again south of town and got to spend time with Bethany again. She loved that old gray horse of Brent's and all the barn cats. Her smile would light up a room or the entire county if she was outside! You could always tell when she was up to something because her ornery smile would come out. (She got her ornery smile from her Grandpa Howard.) The world is a better place because Bethany was in it.*

“ *Bethany, Grandma Sue will hold your hand now and be with you. You can continue to smile and laugh without any pain any more. You were very strong here on this earth. Take care Sherri, Brent, Shauna & Luke, you had her a lot longer than you all ever dreamed, or the doctors thought. Because of your love and support through the years she had a beautiful life. I am sure this is very hard, but I saw that you all did everything you could to keep her going. All our love, Susan & Lewis*
