“ *What a classy lady Betty was. My mother considered her a real friend. And Betty sure knew her way around the plumbing shop, that is a fact. Speaking for my family, we all loved her. Brian McKenna*

I remember Betty as a very kind-hearted woman who was always very cordial. Our family shared many happy memories with the Martindale family in the 60's. Our mothers were on the same bridge club for years!!! I, on occasion, would drop into Martindale Plumbing just to say hello to Betty and she would always greet me with a smile! Be at peace Betty...you are remembered with fondness!
