“ I will always appreciate and love Ms Betty. When I think of her, I think of her smiles and laughs. She has for so many years been such a wonderful friend to my mother, Norma. My mom and Betty acted like little girls when they were together! They were so cute.

Girls, my thoughts and prayers are with you and yours. I can't be with you during the service, but I will be thinking of you.

When did she turn 80????? See how young she acted?

Love ya ~ Wanda Mae

“ I was very sorry to hear of Bettys death. My brothers and sisters so appreciated the care Betty offered as a Senior Companion to our Mother, Ella Beers four years ago before she died and we appreciated the visits Betty made to us at our family home. She was a special friend to our Mother. May she rest in peace.
