Betty met who was to be her future husband Don Hill in Lyman, Nebraska. The two later married August 15, 1957, in Crookston, Minnesota. After getting married they lived in Goodland, Kansas before returning to Torrington in 1961 to raise their family. Betty was the loving mother to Ronald, Brenda and Susan. She was a very proud mother, following her children in all the sporting events and other things her children participated in. After raising her children Betty got her GED, which she took great pride in. Betty became a widow in 1988 when Don passed away. She moved into town where she self-taught herself how to be handy. She remodeled her house, rewired and put in all her cabinets. These skills she taught herself she was also very proud of. Some of Betty's hobbies included gardening, spending time with her family especially her grandchildren, cooking for her family as well as sharing her special salsa she

made. Betty was involved in the Yoder Women's Club for many years. Betty's love and care for dogs showed just how great of a person she truly was. She will be missed by all those that knew her.

Betty is survived by her children; Ronald (Mari) Hill, Brenda (Bill) Lujan and Susan (Dirk) Myrtle. Grandchildren; Billy (Jenny) Lujan, Brandie (Jared) Hatley, Kala Hill, Jared Myrtle and Jaycee Myrtle. Great-Grandchildren; Kaiden, Ella, Preston, Jaxton, Kora, Xander, Bexleigh, Haygen and Vander. Her sister Sharon of Colorado and close family member Lori Hill as well as many nieces, nephews and cousins. “ *I have such fond memories of growing up with Aunt Betty and my cousins. Visiting her and spending time with her and my cousins were some of the highlights of my childhood. Over a decade ago, she shared her famous salsa recipe with me, and it's become a cherished tradition in my own family ever since.*

To her family, my deepest condolences. Aunt Betty was truly a remarkable woman. Though we may have lost touch over the years, I'm incredibly grateful to have had her in my life, and I'll always treasure the memories we shared. Rest in peace, Aunt Betty.

“ *Sue and Durk, wish I was there to give you a hug. Thinking of Betty and remembering things we all did brought back some great times for me. I'll still have her salsa recipe., and use it. It's still the best. I send my love to your family. You are often in my thoughts. Oh the snowmobile trips we had. I thank God for putting you in our lives. God bless you all. I love you.
