“ Denise, John, Connie -

I don't think I need to explain how much your mother and your family meant to ours. We were so privileged to have you as neighbors. Harold, such a gentle and funny guy. And that garden! I can't see zucchini without thinking of your garden. Denise and those hiking boots are probably the reason I still won't watch scary movies. And Mrs Lashley... Mrs Lashley taught me how to read spell; Betty taught me how to play pool believe in myself. She was always my favorite, still is. I'm saddened there will be no more children lucky enough to be in her class room, being called to order with "All right you rotten little brats!". Such a wonderful woman. I'll remember her always.

Thoughts prayers for you all.

“ *Betty was truly a lovely person to know. I met her when I joined the congregation of the Lighthouse Ministries where she welcomed me with open arms and a smile. She was a very positive, outgoing and loving person. The type that made you happy just to be around. Whenever I saw her, she always gave me a big hug and a beautiful smile. Now, she is giving our Lord and saviour a big hug and beautiful smile and He is giving her one in return. God speed, Betty.*
