“ We lived next to Betty in Torrington for a few years and were deeply saddened to hear of her passing. She was a very kind and caring lady and we couldn't have asked for a better neighbor. When we moved from Torrington, we often joked that we really wished we could move Betty along with us. Our family loved her very much. She definately enriched our lives and she will be greatly missed. Our sympathies and prayers go out to her family and may Betty be blessed by God as we were to have her in our lives.
Sincerely,
Raymond, Sarah, Haley, & Mickayla VanNatter

“ I was surprised to read about Betty's passing. We woked together for several tears at the Stagecoach Inn. I also helped her occassionally with her catering. I loved her. My heart goes out to you as well as my prayers.

“ I had the pleasure of both growing up nearly a block from Betty and her family and also being a classmate of hers that graduated from Torrington High School in 1957. This was to be the 50th reunion of that class and Betty had been so eager to help with arrangements and organizing the event.

I also spent about ten years eating lunch daily and enjoying her service and her company as I was working just two doors South of the Stagecoach Cafe. She was great at what she decided she wanted to do. She was a very straight-forward person and she was also honest in her approach to life. I don't think she ever met a stranger.

My sympathies go to her family and my best wishes as well as they cope with her loss. She will be missed by many.

Sincerely,

Keith Whitney
