“ Dear Barb, Carol Sue and Jim, I have had so much sadness in my heart that I just couldn't call and blubber on the phone. There are disadvantages to being an emotional slob but I did want you to know how much you are all loved and how much I loved Aunt Bev. Her graciousness and kindness will always be remembered. I wish I could be with you today to share in the celebration of her courageous life. You are all so strong and I know today will be a very special memory.
You are in our prayers.
