“ *Suzy... just got the news of you losing Bobby. My thoughts and condolences to you and your family. I know we haven't been close in these later years of our lives, but the memories of all the good times we had when we were young and you guys were just starting your life together were so fun and unique. Such vivid memories. If you need an ear, let me know.

“ *I was a 21 year old away from home at college. I was friends with Eric and Sean. Mr. and Mrs. Hauff took me to get a twin bed that I desperately needed and helped me move it into the little house I was renting. I will never forget their kindness. God bless this family.
