

Bonnie Lou Randolph

May 28, 1934 - November 18, 2020

Bonnie Lou Randolph, flew into the arms of her Lord and Savior Jesus Christ on Wednesday, November 18, 2020, but not before hugging and talking to every single member of her family. Once she had done this, she asked Jesus to take her home.

She began God's work on earth in Collinsville, Illinois, on May 28, 1934, with 2 brothers and a twin sister, who was too precious to stay long. God placed Bonnie here to grow up like a tom boy, swinging from the grape vines literally doing the Tarzan call. He would later ask her to become one of his angels on earth by becoming a Registered Nurse, to care for thousands of His children. She was an inspiration and mentor to many of her healthcare colleagues-- loved and cherished by so many of those she cared for. She exemplified the true meaning of caring for others before herself.

She met the most handsome man, Robert R. Randolph and created 5 beautiful children. Robert S. Randolph who married Dr. Bonnie Randolph. She always got a kick out of their names being the same. Kathy Ayres and the ever watchful Troy Ayres. Becky McLeod, who gets lovingly picked on the most. Mary Werner and Todd, the comedian, Werner. Sarah Anderson, and her beloved and admired Pastor David Anderson. Her most precious earthly jewels were her 14 grandchildren and 11 great grandchildren. She knew and loved each one of us greatly, completely, fully. We all think we were her favorite.

Waiting with open arms for her arrival home in heaven are her parents,

Sydney and Eva Scaggs, a brother Jerry Scaggs and twin sister Betty Lou Scaggs. The service will be held on December 12, 2020, at North Hills Baptist Church at 2 pm. This will also be live-streamed, and you can find the link at www.northhillsbaptist.net. It was so important to her that everyone should hear about Jesus, so please honor her memory by reading her favorite Psalm 139. In lieu of flowers, please consider a donation to the Children's Ministry at North Hills Baptist Church.

We love this message she wrote in her bible, "Do the best of things in the worst of times." Her example of loving God and people will forever be cherished and never forgotten. The closeness and strength of our family is a gift she left behind. Praise God for His grace and mercy. Until we meet again mom, grandma, sister, aunt and friend. All is well with our soul.

“ Our condolences to the family and friends of Bonnie Lou on behalf of Lutheran Hospital School of Nursing past and present student body. No matter which graduating class each of are from, we each have a common bond with each other, "Esse Alexiis Auxilio"--our nursing school pin💖. Oh, the stories we each could tell each other one day. GOD be with you until one day when we all meet again.

“ Momma Randolph is my 2nd momma💕. She is one of the strong women who mentored me into being the “young” lady that I am today. I drew from watching this strong woman raising 5 great kiddos, while working her tail feathers off as an amazing nurse, keeping a home, fixing great meals, sponsoring sleepovers, supporting a crew of dance girls (Torrington Trailsuaters) and all of our costumes/practices/dancing in her living room/fund raisers/all-around goofiness/and girl drama, while remaining the calm, level-headed, loving mom.....never too tired to give advice or much love! And mustn't forget.....”adopting” some of her kids' friends as “her own” (like me). Momma R was the EPITOME of being a ROCK!!! I can only hope to be half the woman and mom she has been!!!

She helped deliver my first-born. After hours and hours of hard labor, when she came on shift, it wasn't but a matter of time that my daughter, Jamie, was born. Why???....because Mom was THE BEST....soooo smart!....greatest of nurses!....knew exactly how to get Jamie to turn in-womb AND to get my brain in the right “head space.” She was TOUGH, but the most loving lady!

Heaven gained a beautiful angel. The hole that is left here on earth is cause for much heartache, but we must remember that she is with Our Father, whom she loves and is now watching over the lot of us here on earth.

She is watching over her kids....proud and loving, as always! 🙏💕🙏

“ We did not know your mother personally but over the years we have only heard what an outstanding person she was doing her professional work and raising her family.

We have been fortunate to have had the privilege of working in the school system with her children and grandchildren whom we hold all in high regard.

Our love, prayers and sincere condolences,

“ Bonnie was there when 2 of our children were born and she was wonderful! Then she was my mentor teaching me about labor and delivery. Then she was one of my favorite coworkers. She was a beautiful Christian lady and a friend always ready with a smile. I will miss her!
