“ We were best friends in high school had a lot of fun times the one that comes to mind is when Brenda and I got pulled over by cops, they took us to station where we both had to call our dads was still real crazy and all we could do was laugh until our dads showed up we were sixteen years old

“ Do you were one of those people that came into somebody’s life and neither chose to stay or made it very clear that you had no interest in him lol I love you so much Brenda you were like my sister. I know we fell apart later in the years to where we just check in, but that was the best part of it I always knew you were there and you always knew I was around too. Wherever you are, they’re lucky to have you. I’ll miss you, my friend. We’ll meet again someday I promise! And when we do, we’ll pick up where we left off!
