“ Brenda and I worked together many years ago. We had so many good times and laughed until we couldn't breath. I am so glad I was lucky enough to get to know her. Every time I think of Brenda I see her smile and it makes me feel good. I hold you all close at this time.

“ For the past 20 plus years Brenda has been my caretaker. She was there for me everyday. She instinctively knew when I was hungry and fed me. She knew when I was discouraged and encouraged me. She knew when my mind was absent and covered for me. She felt my pain and healed me. And she comforted me with her presence. And you know what....we had a lot of fun along the way. Sometimes we would just look at each other and break out laughing until we hurt. We knew what we were laughing about ...but really couldn't say. But, what I can say is....Brenda loved her family and talked about them all the time. Late nights watching movies, shopping with her girls and listening to the Beatles. Here's to the most caring and humble lady on earth. Cheers Brenda.. I will see you soon.
