“ Remembering Uncle Burl: I didn't know him all my life like most nieces know their uncles?had I grown up around Yoder or Lingle I would have been a nuisance?the little kid who just had to help drive the tractor or bring in the last calf. I wish I could have spent time with him on the farm learning how to maneuver the combine or plowing a field. I knew Uncle Burl as a quiet man except when I was a nuisance and took too many pictures!! I will miss him and pray that the family is doing well. I'm sorry we cannot be with because we are caring for 4 young grandchildren right now. God bless you and my love prayers to all, especially dear Aunt Bev.
