“ Celeste,
My condolences to you and the family. You were so supportive through your lives together. It was fun for me to visit and reminisce. Calvin and I about high school and the history of you 2 together, raising the animals and having such good quality time together. You were Calvin's Angel. He appreciated you. I'm grateful for meeting you. I'm comforted knowing Calvin is in Heaven. No more pain, no more sorrow. Greetings to his lovely Mother and to Sheryl and Terry. Such a beautiful family.

“ Dear Celeste,
You and Cal were the first friends that I made when I moved to this area in 2003. You and Cal were always such an inspiration to anyone who knew you. He battled terrible health issues and lived life to the fullest. Your marriage was a testimony to love and devotion. When I heard of his passing, the Vince Gill song, "Go Rest High on that Mountain" came to mind. I can see him going to heaven "a shoutin' love for the Father and the Son".
Love in Christ,
