“ I always enjoyed his company when he would come in for a CD renewal. Each visit, we would joke how we would rob the bank one day. He was always kind and asked about my family. I'm so saddened by his passing.

Marg & Family, I am saddened to learn of Carl's death. He was such a remarkable man. His life was a model of community service and care for others. I'm so thankful that I had the opportunity to work with him on the EWC Board of Trustees. I could always count on his good judgement and his straight forward, honest and thoughtful decision making. My heart goes out to you during this time of loss. Sherri Lovercheck
