“ Mrs. Ramos it has been a while since we have seen each other. Mom called and to let me know that Carlos had passed. I am very sorry about your loss. It is not easy for a parent to bury their child and to go through it for the fourth time does not make it easier. Just wanted to let you and the family know you are all in my thoughts and prayers. When you think you can not take no more trust in God and He will give you the srength to make it day by day. God Bless

“ I am very saddened by your loss. My heart goes out to your family. Be there for each other to comfort one another in this time of grief. I can remember when Brett and Brittany were just tiny and we would drop them at Grama Dora's house to see their Daddy. These are the times to remember, the times to cherish. May you all find comfort in Gods love.

“ I am sorry to hear of your loss and am sorry that I did not keep in touch. Carlos had been a good friend of mine all thru school in Lingle. We had good times that I will always hold dear to me. He was a good friend. I want his family to know that my thoughts and prayers are going your way. I think it is pretty special that he actually named 2 of his children with the same names that I chose for mine!
