“ Teresa,
I am so sorry to hear about your sister. I know how devastating it is to lose a family member whom you love and cherish. Please know that my thoughts and prayers are with you in your time of sorrow.

I worked at UNC Lab School when your children were enrolled and also worked with you at UNC College of Education.

“ Thanks to our Aunt Carmen we have wonderful memories to cherish and some awesome footsteps to follow. I will always remember her ability to overcome any and all obstacles. I will always remember her by her achievements and her devotion to her work and to her family, but most of all for her ability to give generously of herself. To Aunt Carmen a child was not an insignificant intruder of her time but a little person to guide and teach.

Thank you Aunt Carmen for loving me, not telling me you loved me but showing me you loved me thank you for taking your precious time and devoting it to me. Thank you that in your entire life time you never gave me an unpleasant memory to take away from all the good ones. Thank you for showing me by example to keep "The Ten Commandments" and last but not least thank you for praying for me.

Thank you for being my ?Aunt Carnun?
