“ Carolyn was a classmate of mine at Morrill High School. She was such a bright and friendly person, always ready with a cheerful smile. Please accept my sympathy for your loss. Carolyn will be fondly remembered by our classmates in the graduating class of 1959.

“ I have just heard and found out about Mrs. Domson. I am sorry for your loss. I used to be her aide in the office. I would do anything she needed me to do around the office or take things down to the teachers if needed. I have seen her around since I have been out of school and she looked like she was doing great. When I found out I didn't believe one of my friends on Facebook. So I double checked online at the funeral home site and seen it was true. I feel bad that I didn't make it to the service. I really wish I could have been there. I don't think you could have found a nicer lady to be around. Anyway my thoughts and prayers and heart go out to you and your family. Like I said before I am very truely sorry for your loss.
