“ From the time Chance was a little boy, he wormed his way into my heart. He'd flash those eyes and mischievous grin and he'd win me over every time, you didn't stand a chance, no pun intended. That being said, he had a very sweet giving heart and personality. He'd go out of his way to help you and he would do just about anything you asked him. I mentioned once to him that i needed a board cut to size and he said he would do it for me. He got it to me either the day before or the day of his death, i don't remember for sure. He was an all-around great guy and a very special nephew. Ride high Chance. Watch over your mom. I love and miss you!!!
