“ Distance and time could not fade our camaraderie, going back to 1958, sledding in a car hood behind a pickup in the dark and lived to tell. So blessed to have called her friend.
She loved the LORD and life.
We will make a donation to CHOICES PREGNANCY CENTER so her life will continue on. See you later Connie 🙏

“ I was floored when I heard you had passed. I have always thought of you as my grandma. Its going to be strange passing your house to go to my parents knowing you will no longer be there. You and Rod watched us kids grow up. I am glad that you got to see my kids grow every year especially at Halloween. Its not going to be the same without you. No more pain no more fighting. You are now free. Until we meet again RIP. Papa Rod I am so very sorry for your loss. Just know me and the kids are thinking of you.
