“ I never knew I would be so lucky as to know this lovely woman as my mother-in-law. She was so welcoming from the moment I met her. She was instant family. I can't stop seeing her smile when I think of her. Connie, you were such a truly genuine, lovely and giving person. Thank you for all you instilled in your children and your grandchildren. Thank you for sharing your home and your family with me over the years. I will always hold the memories we made together close to my heart. Your art will make me smile all the more feeling I have a piece of you with me. All my love to everyone feeling your loss.
