“ *Sending our deepest condolences to the Soria Family. Moments shared around the table were the greatest memories for my parents, Peter and Freda Garcia. Uncle Chenco would often check in with us just to see how we were doing. Mom and I would laugh at the amount of emoji's he would send in a text at his age!*

We were devastated to hear the news yet at the same time rejoiced that he and Mom would be catching up again, only this time in heaven, sitting at the kingdom's table ☐ 😊

May you all be lifted at this time and your hearts be healed.

*All our love,
Peter Sr. & Our Angel Freda Garcia, Peter Jr. (Freda's Son) and spouse Rachel Garcia, Deandra (Freda's Daughter) and Spouse Rowy David*

I could speak for days on how Mr. Soria and his beautiful family have touched my life. I had the honor of even though not biologically being a member of the family, Mr. Soria made sure i always felt loved and included. I had many talks with this man. Much love he had given to me and valuable advice that has in part made me the man i am today. He will always live within me now, remembering all he has taught me and to continue his legacy as best i can. To the family... my heart is broken today, however i know i can smile tomorrow knowing that the love this man has given to all of us and countless others, will last an eternity :) love always..
