“ Heartfelt thoughts to all Cindy's family in their loss of such an awesome lady!

It is with great sadness the LFL Class of '72 has lost yet another of our classmates. Cindy and I grew up together in Lingle, celebrating youthful birthday parties; junior high slumber parties; high school activities as we grew older; sharing life with our other close friends. Cindy would go on to lead an adventurous, fear-less life; while telling me I was too cautious!! LOL

Though we rarely spoke over the years following graduation; we did see each other from time to time.

Lastly, I will forever cherish the last conversation she and I shared just days before she passed. She gave me a call, yes! on the phone!! and we talked and talked. I am so happy I had that last opportunity to hear her voice. I am thankful she gave me that opportunity.

May God wrap his loving arms around all of Cindy's family and grant you Peace.

*With Sincere sympathy and loving friendship,
