“ I will always remember his no nonsense, down to earth nature. Dale was a hard worker and a good man. His workshop was one of a kind and was full of such amazing things. He and Karen were like book ends and I know he was lost without her. They are together with Jesus now and our loss is Heaven's gain. You will be missed my friend.

“ I was so sorry to hear that Dale passed away. I always remember Dale being so friendly. I remember all the animals including the llama at his place. Good memories. Just thinking of your your family today. Love, Sid Posten
