“ *I grew up with Dale and was part of the "Behind the School" neighborhood in Ortonville. Quiet, humble and always with a smile, Dale was also a gifted athlete and student. These traits permitted him to excel in both high school and college, the military, and in the field of pharmacy. He was respected by all who knew him.*

A life well led.

Blessed be his memory.

“ So very sorry to hear of Dales passing. Dale was one of the good guys from the class of 1962. Quiet and considerate. Mike Dorry - classmate

“ I graduated from Ortonville HS with Dale. While he was a great athlete and intelligent student, he was humble and everyone's friend. While most fellow athletes avoided the military, Dale stepped up and joined the Air Force during the unpopular Vietnam War. I always thought he resembled Jimmy Stewart, tall, ruggedly good looking, slow talking. Dale was a wonderful, patriotic, God fearing man. Rest in Peace Old Friend.
